

Hillocks Governor Newsletter – Summer Term

Happy Summer everyone.

As the sun shines it is easy to look forward to the end of term and whatever that brings for you and your family over the break. It is also a great time to look back at the year that has passed.

It has been a busy year for the school with new leadership. The governors and I have been impressed with the way that everyone in the school community, old and new embraced this changed.

The academy committee had been very busy concentrating on all things classroom this term. We have been looking at information about getting children into classrooms ready to learn and about how lessons are planned and delivered. We are also looking at what is important for the school to focus on next year and how the school leadership team will implement this.

We have been joined by another new governor, Mrs Murungi, welcome to the committee, we look forward to working with you.

The governors have been arranging and attending visits to see what is happening in school. We have looked at safeguarding, special educational needs, pupil premium and early years.

I feel very honoured to be a part of life at Hillocks and wanted to thank parents, pupils and staff for the part they play in making Hillocks the great place it is.

Lastly, on behalf of the governors, I want to wish our year 6 leavers all the best for the next step on their educational journey. Good luck. Everyone else...see you in September.

Kind regards

Susan Beasley

Chair of Governors
